## TRIAD Funding Extended to All Eligible Apprentices

Our chapter received a grant from the Dallas Foundation through the TRIAD fund to educate veterans of Operation Iraqi Freedom (OIF) and Operation Enduring Freedom (OEF). The funding pays for the apprentice expenses (apprentice portion of dues, books, tools) and has been extended to cover all eligible apprentices and their families.

If any of your apprentices registered in the apprenticeship program are veterans of OIF/OEF, please have them contact Sandy Strevel immediately at (817) 496-8422 or [sandy@iecfwtc.org](mailto:sandy@iecfwtc.org).

This funding will also be available for new veterans and their families entering the program in the January fast-track class.

## Fourth Annual Clay Shoot Set for August 20, 2010

IEC Fort Worth/Tarrant County Chapter 4<sup>th</sup> Annual Clay Shoot will be held August 20 at Alpine Gun Range in Fort Worth. This is a great event that sells out quickly. Registration begins at 8:00 a.m. and the shooting starts at 9:00. Registration cost is \$125 which includes the clay shoot, shells, safety glasses, and lunch. Don't be left out!

## Eight Week Motor Controls I Course Available

Mike Query will teach this outstanding course that will cover the basics of motor controls and light PLC programming. The class is intended to sharpen the skills of electricians who currently work with motor controls and to teach the basics of motor controls to those who are beginning their career in the field.

This course will be held Saturdays, from 8:00 a.m. to 12:00 p.m., August 14, through October 2. Cost will be \$375 for IEC members and \$425 for non-members.

For more information contact Tracy Dalrymple (817) 496-8422 or [tracy@iecfwtc.org](mailto:tracy@iecfwtc.org).

## Registration Opens for January Fast-Track Class October 1

October 1 – December 15 applications will be accepted at the chapter office for students who want to apply for the January Fast-track apprenticeship class. During this class students attend school two nights by alternating two nights one week and one night the next week. The January class is designed for students who want to complete the first year in a shorter time frame and move into the second year in the Fall.
